

THE SCOOP: WEEKEND OF MARCH 30TH

Thursday March 30th, 2017

DASHING DIPLOMAT

The Diplomat Beach Resort Hollywood, Curio Collection by Hilton is ready for its big reveal this weekend. A \$100 million renovation? Check. One thousand guestrooms? Check. Ten eateries? Check. Broward County's largest hotel offers 96 suites, 515 rooms with king beds and 484 rooms with double beds; each has unobstructed water views, whether the ocean or Intracoastal. Décor and curated art links to the property's origins in the late Fifties. Suites blend midcentury modern touches and marine hues, whereas rooms come in two types: Sunrise with rope accents, deckchairs and coral- and sand dune-patterned carpeting, or Sunset, with organic, understated design. The wow factor escalates through fashion and home designer Trina Turk's full-service cabanas in her signature bold prints. Wrap up the experience with the Hotel Bar's passport menu.
